Navigators Travel Ball Program Sponsorship Levels, Benefits & Information

Thank you for your interest in sponsoring the Navigators Travel Ball Program!

What your sponsorship means to us.
We want our sponsors to realize how important they are to our players' futures. NAVIGATORS TRAVEL BALL Program features youth baseball in the travel ball division levels 9U-14U baseball and 12U & 124 fastpitch softball. We operate through generous time from our volunteers, made up of board members, managers, coaches, team parents, and community members. The program needs support from our sponsors and community members to operate and thrive as a travel ball program. NAVIGATORS TRAVEL BALL program gets our kids outside, playing together in a team environment, having fun, learning, and growing together! In this environment, the players learn life lessons they will cherish for years to come, and the sponsorships from our valued community business owners make it happen! Our goal is for every team in the league to be supported by a local business and/or individual contributions.

Sponsorship benefits to your company

- Connection to the expansive Bothell community through brand exposure on our website, IG posts and during our games throughout the year.
- Company exposure is displayed on the various apparel and sports items worn by the sponsored team (and their families) and team banner.
- Parents, players, and coaches are encouraged to support the businesses of our sponsors.

Where do sponsorship dollars go?

- Your company & league branding on apparel worn by sponsored team.
- Your company & league branding on sponsored team banner and on Instagram posts
- Tournament fees for sponsored team players.
- League equipment.
